# GUIDANCE OFFICE

Pat Hill

Al Koepp

Lorraine Wenner

The guidance office once again proved to students just how important the future really is. Whether you're a future social worker or economist, this is the place that our inspirations become realities.

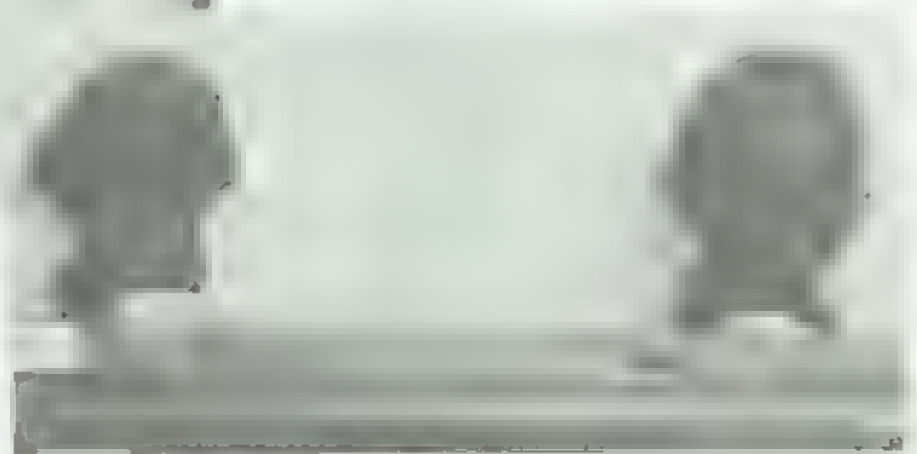

# LIBRARY

Clanta Calasanz, Barb Bestik, Marilyn Possin.

Your library is a wealth of knowledge. And these librarians are indeed philanthropists

and the boys

# ATHLETIC DIRECTOR

Jim Michaud

Just what goes on in that quiet looking office on third floor? Actually, that is one of the busiest places in the entire school. Participants in sports appreciate the large effort it takes for scheduling, transporting, and budgeting their sport; but how many stop to think that same person is doing all that for all of the other sports at the same time? To do all this, along with teaching junior high social studies and coaching two sports would require someone of extreme dedication and organization. Who else but Jim Michaud, who'll attest to the fact that his office is **not** as quiet as it looks

# DEVELOPMENT DIR.

Mark Lease

Development Director Mark Lease is the one not only in charge of public relations and organizing fund raisers such as Rockin Round the Clock and the Amerathon, but also quite often mistaken as a student

# EXECUTIVE SECRETARY

What new face, disguised as a secretary, is really a second hall monitor? Sr. Elizabeth is this year's new Exec Secretary and also a self-proclaimed "student watcher." Thanks for all the hard work

Sister Elizabeth Theis

# SECRETARIES

Behind every good place of business, there stands at least two great secretaries. And we have three! Between the three of them, they keep Cathedral running like a well oiled machine

Diane Theien Denise Weis Sue Schmitt

# BOUNCER

Gary Henning

Gary, our favorite student bouncer, has decided to stay a second year and help us stay on the straight and narrow Gary Henning (his full name, contrary to popular belief) is also an avid basketball player on the faculty team

# THE OTHER OFFICE

Erma Kremers

Mike Kaley

What three people seem to hold a job from every category at C.H.S.? Mike Kaley, Erma Kremers and Pat Stevens. Between the three, you can plan a Mass with Mike, get detention from Erma, and have the detention slip copied by Pat. WHAT A TRIO!!!!

The Crusader, Cathedral's quarterly newspaper, has once again proven successful under the ever-present watchful eye of advisor Fr. Lauren Germann. The staff, including editors Brian Bellmont and Rachel Durkee, reorganized the publication by adding, for the first time ever, color, and a new logo and cover design. This year, the Crusader also expanded its coverage by reporting on people and events not only connected with Cathedral, but in the community as well. Although the staff only produced four issues because of budget cuts, the Cathedral Crusader was once again an overwhelming success!

## Science Club Sponsors Forum

"Incredible!" "The best!" "Definitely the social event of the season!"

These exclamations, uttered by a few of the ninety-plus attendees of the third annual Forum on Current Science, clearly expressed the feelings of all those in attendance. This year's forum topic was Earth Science. Ralph Nistler of the National Weather Service covered the topic of air, Sara Chadaima of St. Cloud State's geology department on rocks, and Bob Karls of the Department of Natural Resources speaking on water.

Kara Hopke, Science Club President, said, "The Forum's purpose is to offer the latest advances in science to the people who will carry on the studies, the students." Each year the Cathedral Science Club sponsors the Forum, with just that intent: to inform the scientists of tomorrow, or just those interested, with the information that will shape our future. With the help of the advisor, Frank Draper, the Forum has been able to present astronauts, anthropologists, professors, and even wild men with wave machines.

It is hoped that next year's forum will be just as successful.

Where else can you get a free lunch, hang out with area businessmen and professionals, and even have a legitimate excuse to miss your 11:45 class? Not only does the Junior Chapter of Kiwanis International provide all these, but also gives students an excellent opportunity to become informed in community politics, organizations, and business.

# LES VOYAGEURS

This summer marked another successful trip for Les Voyageurs, Inc. After months of planning and mapping their route, the girls' crew set off on their expedition north. Cursed by a few casualties, the girls found they didn't quite meet their goal for distance, but it did turn out to be worth the work. Next, the boys picked up where the girls left off. Canoeing nearly 300 miles, the guys finally ended their trip at Lake Winnipeg.

Not only was this a test of strength and stamina, but also the experience of a lifetime. What better way to get to know nature than to be a "Voyageur."

Science Club specialized this year in endangered species. No, we didn't discuss them, we **were** one. In just one year the number of members dropped by more than half. But did this stop us? Heck no! We proved that small is big (except in a vacuum, of course) by having one of the most successful symposiums of current science to date, among other things. Under the guidance and leadership of advisor Frank Draper and President Kara Hopke, it was all a pretty good time. Next year is bound to be even better if our "small is big" theory persists, because five of the six members are graduating.

The Christian Life Committee has now completed its second full term as an extra-curricular organization at Cathedral High School. Due to the extraordinary capabilities and perpetual energy of the entire committee and coordinator Mike Kaley, liturgy has once again become a vital and indispensable occurrence in the Cathedral High School personality. The CLC seems destined to remain a positive attribute here and to become a mainstay continuing to enlighten us spiritually as we grow.

# PEP CLUB

The 1985-86 school year has proven to be yet another fun and exciting experience for the Pep Club. The officers, Robb Bates, Margy Hick, Julie Olson, Maggie Wertz, John Zenner, and many other helpful members have earned to tackle any obstacles that have come their way with the aid of Mrs. Kolbo.

Homecoming was a very hectic week for the Pep Club. We were busy making over 50 signs for the football players, selling buttons in the cafeteria, and planning pep fests to fire up the student body. Some other activities included selling hundreds of red, pink, and white carnations for Valentine's Day, planning parents' night and buying corsages for those individuals going to district and state competitions. A lot of work goes into keeping the school spirit flowing at Cathedral, but we're worth it!

**Officers**— Margy Hick, Julie Olson, Robb Bates, John Zenner, and Maggie Wertz.

# SPEECH

**Row 1:** J Pull, J Lardy, M Marczak, A Sakry, D Williams, J Carlen, Coach Mark Cushman, K Hopke, H Borman. **Row 2:** A Pierce, M Sakry, J Giroux, J Franzen, M Quinones, A Kunesh. **Row 3:** K Gleisner, B Ahies, B Bellmont, S Yapuncich, A Bettendorf, M White, and M Machula. **Not Pictured:** A Ross and A Schluender.

This year's speech team was not only very successful, placing second in district, third in region competition, and sending four members of the team, Jim Carlen, Anne Schluender, Helen Borman, and John Pull, to state, but was also a very important season for realizing potential and developing talents. Much of this is due to the efforts and coaching of Mark Cushman, who in coaching, not only gave up his Saturday mornings for several months, but also applied his theatrical prowess and speaking abilities at individual practices. His strong dedication to the team and its members was inspiration to excel in competition, resulting in a stronger performance of the speeches, and a strong image of self.

Breer, **Row 3:** Coach LeAnn Giese, J. Peterson, M. Brix, K. Keller, M. Schmid, K. Keller, S. Priebe, C. Coborn, and L. Colombo

Under the direction of first year coach Leanne Giese, the team had a record of 10-4, setting many personal bests and new school records. Although this year's team didn't do as well as in the past, they kept on with team unity and spirit, and kept striving for their goals. For the fifth consecutive year the CHS swim team won the Central Gopher Conference Championship. Led by co-captains Stacey Austing, Jenny Kimlinger, and Maggie Weitzer they placed third in Regions and sent seven swimmers on to State. The swim team put in many hard hours of dedicated work, but still found time for fun!

The C.H.S. girls Tennis teams' past years of building potential and gaining experience has finally paid off. Their high spirits and positive mental attitude led them to a Region final finish. For the first time this year, the team's enthusiasm went beyond the court. . . . A large papier mâché blob (resembling a tennis ball), topped off the team's 1st Annual Homecoming Float. The strong bonds developed between the players continues to build through the year, as they prepare themselves for another winning season.

# BOYS' BASKETBALL

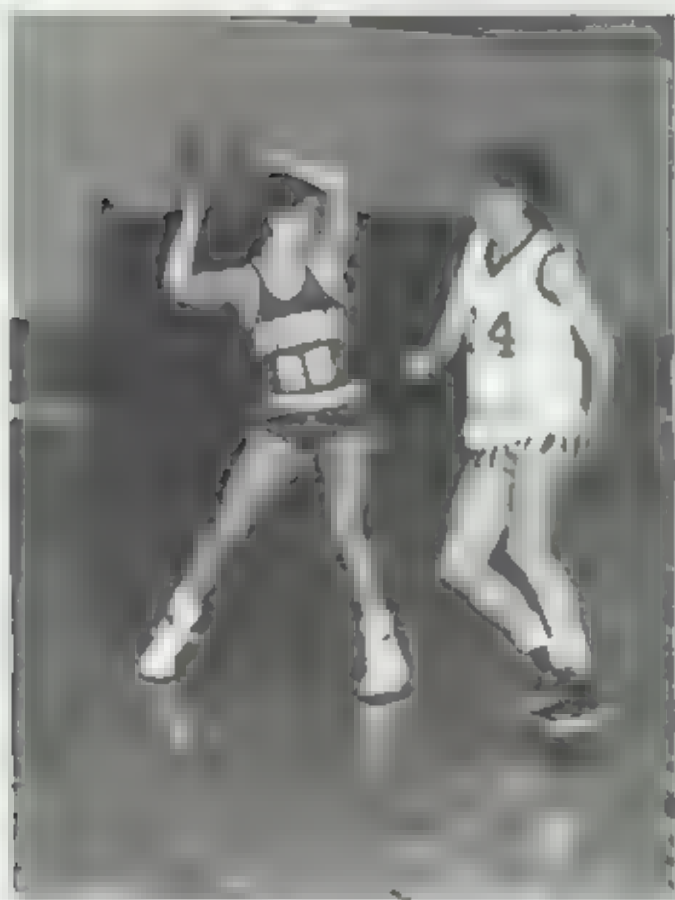

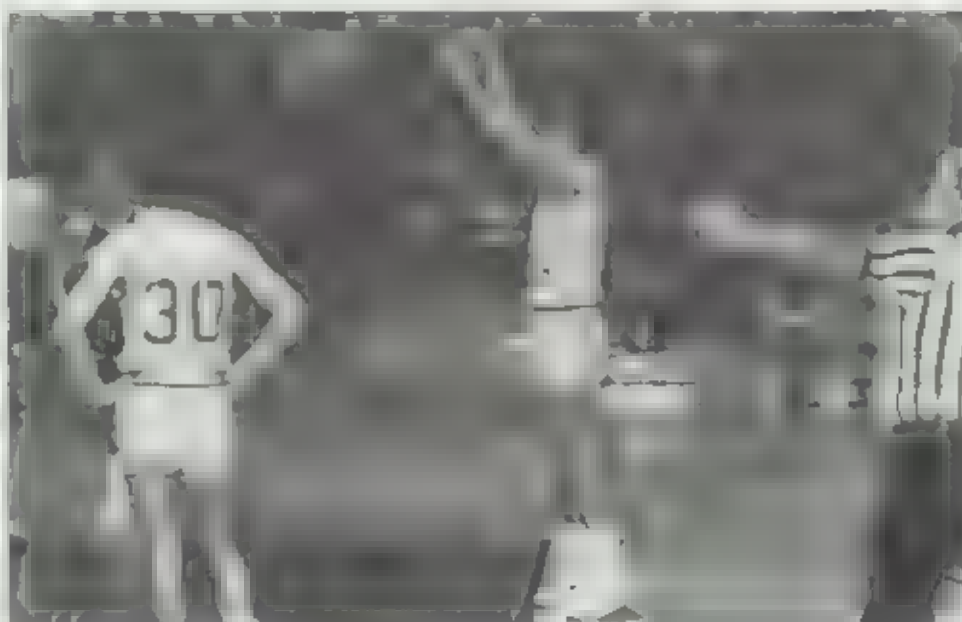

**Row 1:** M. Ross, B. Schoenborn, G. Feddema, S. Hoelscher, S. Schroeder **Row 2:** L. Stockinger, P. Knier, M. Le sen, J. Hess, Mgr. K. Smith **Row 3:** Coach Bob Karn, K. Meyer, Q. Rubald, P. Hoelscher, T. Gilbert, D. Eickhoff, and Assistant Coach Dan Meyer

The 1986 Crusader Basketball team was one of close friendships and loyalty. This dedication to each other and their common goal to perform to their best potential was the backbone behind the Crusaders' performance this year. Although this was not necessarily a shining season, what was gained on the inside made up for the apparent lack of success as far as points go.

Many times gymnastics is thought of as an individual sport, but it is also a team sport. The gymnasts need to work together and help each other in order to reach one another's full potential.

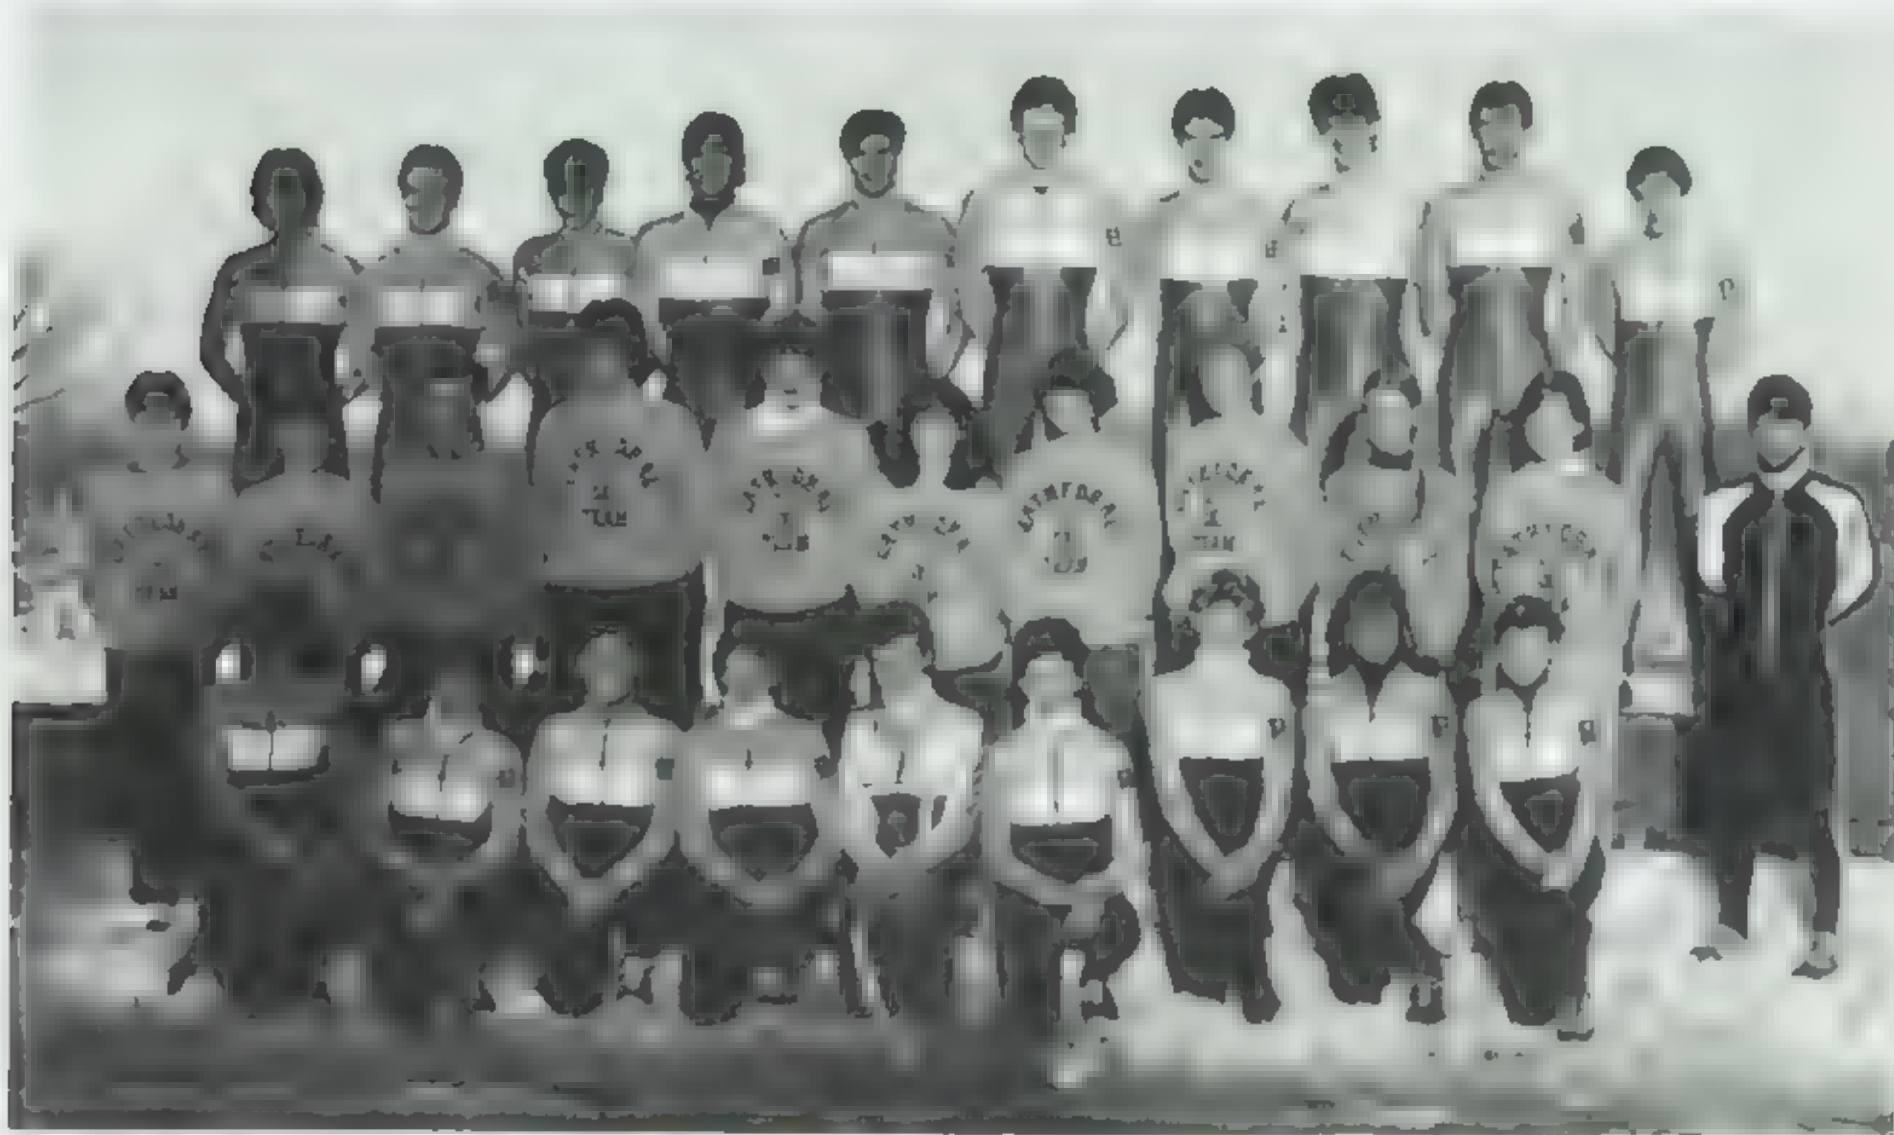

The C.H.S. team did just that, finishing fourth at Regions. Although none of the gymnasts qualified for the state meet, they all felt that the season ended very successfully.

Boring halftimes were a thing of the past, once again this year as the C.H.S. Crusaderettes added fun and excitement to the seasons of the year. Along with their new advisor, Kim Byrne, the danceline began the year by performing on the mall for "Back to School." Throughout the school year they performed at various pep-fests and athletic events to raise school spirit. And to close out their season the Crusaderettes competed at state, where they finished eighth out of twenty-one dancelines in Class A competition. Overall the danceline had another very successful and satisfying season.

Bob Karn

One of the most valuable aspects of Cathedra is the English Department. It continues to be one of the strongest sources of language and literature background. From speech to spelling, from Hemingway to homonyms, our English Department keeps up its reputation of high quality education while still making class something to look forward to. Besides, how can you not respect any department that photographs this well?

# FOREIGN LANGUAGES

Sister Michaela Fuchs, *French*

Stella Cynacks, *German*

Kathy Reinhardt, *Spanish*

The members of the C.H.S. Foreign Language Department use their time and talents to understand and speak the languages of other nations. Whether it be French, German, or Spanish, the foreign languages' department will make a bilingualist out of you

# HOME ECONOMICS

Peg Imholte

Barb Meyer

Peg Imholte and Barb Meyer make the C.H.S. Home-Ec Department the place to prepare yourself for life outside, in the big world, where you won't have Mom and Dad to wash the clothes and make dinner

# MATH

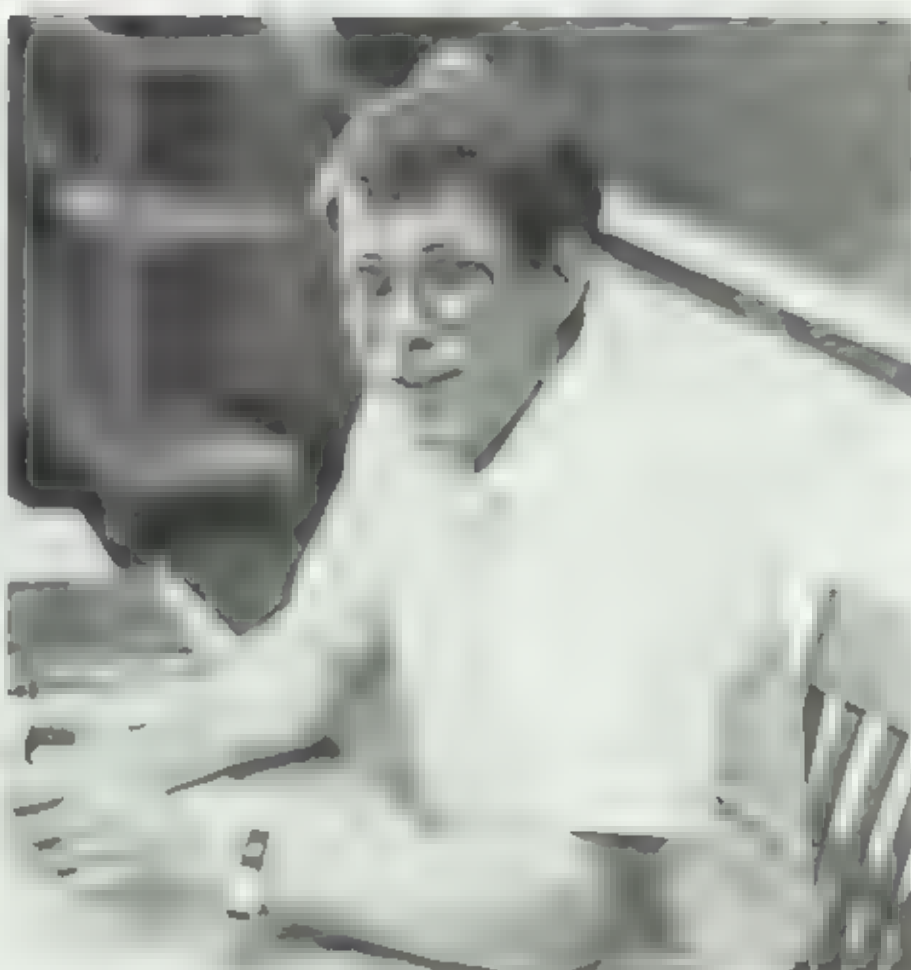

Roger Gohl

ViAnn Olson

Bob Schneider

Ellis Scheevel

The C.H.S. Math Department offers the solid mathematical base needed as part of a well rounded education. From theorems and postulates to moebius strips, all aspects are covered here at C.H.S.

# MUSIC

David Hunt

Julie Kanthak

Dianne Brady

Music is said to soothe the savage beast. Although we don't have a large percentage of them this year, we all still take pride in our music groups, and the C.H.S Music Department

# PHY-ED AND HEALTH

Steve Johnson

Norma Dobbs

Bob Bjornstad

Our Health and Phy-Ed instructors here at C.H.S. have become, over the years, comfortable and certainly well known parts of life here at school. Bob Bjornstad informs his freshmen about the fundamentals of first aid, mental health, drugs, alcohol, and other important subjects. In the Physical Education department, we have the pair, Norma Dobbs and Steve Johnson. Along with teaching music, sport fundamentals and rules ranging from football to badminton, they instruct and encourage good sportsmanship in both aspects of winning and losing

# RELIGION

**Row 1:** Sr. Marlene Meierhofer, Sr. Shirley Nohner. **Row 2:** Kevin LeNave, Mike Kaley, Fr. Ken Popp. **Row 3:** Fr. Lauren Germann, Fr. Steve Binsfeld, and Fr. Jerry Nordick.

The C.H.S. Religion Department does a great job in enhancing the students spiritually. This is the department that makes the Christian aspect of high school so valuable and memorable.

# SCIENCE

Science is one of the broadest fields of education today and the C H S Science Department does an excellent job of covering all bases. Both the life and physical sciences are more than adequately covered with courses ranging from Human Biology to Ecology to Physics.

# SOCIAL STUDIES

Justine Kolbo

Sr. Ione Jesh

Sharon Minet

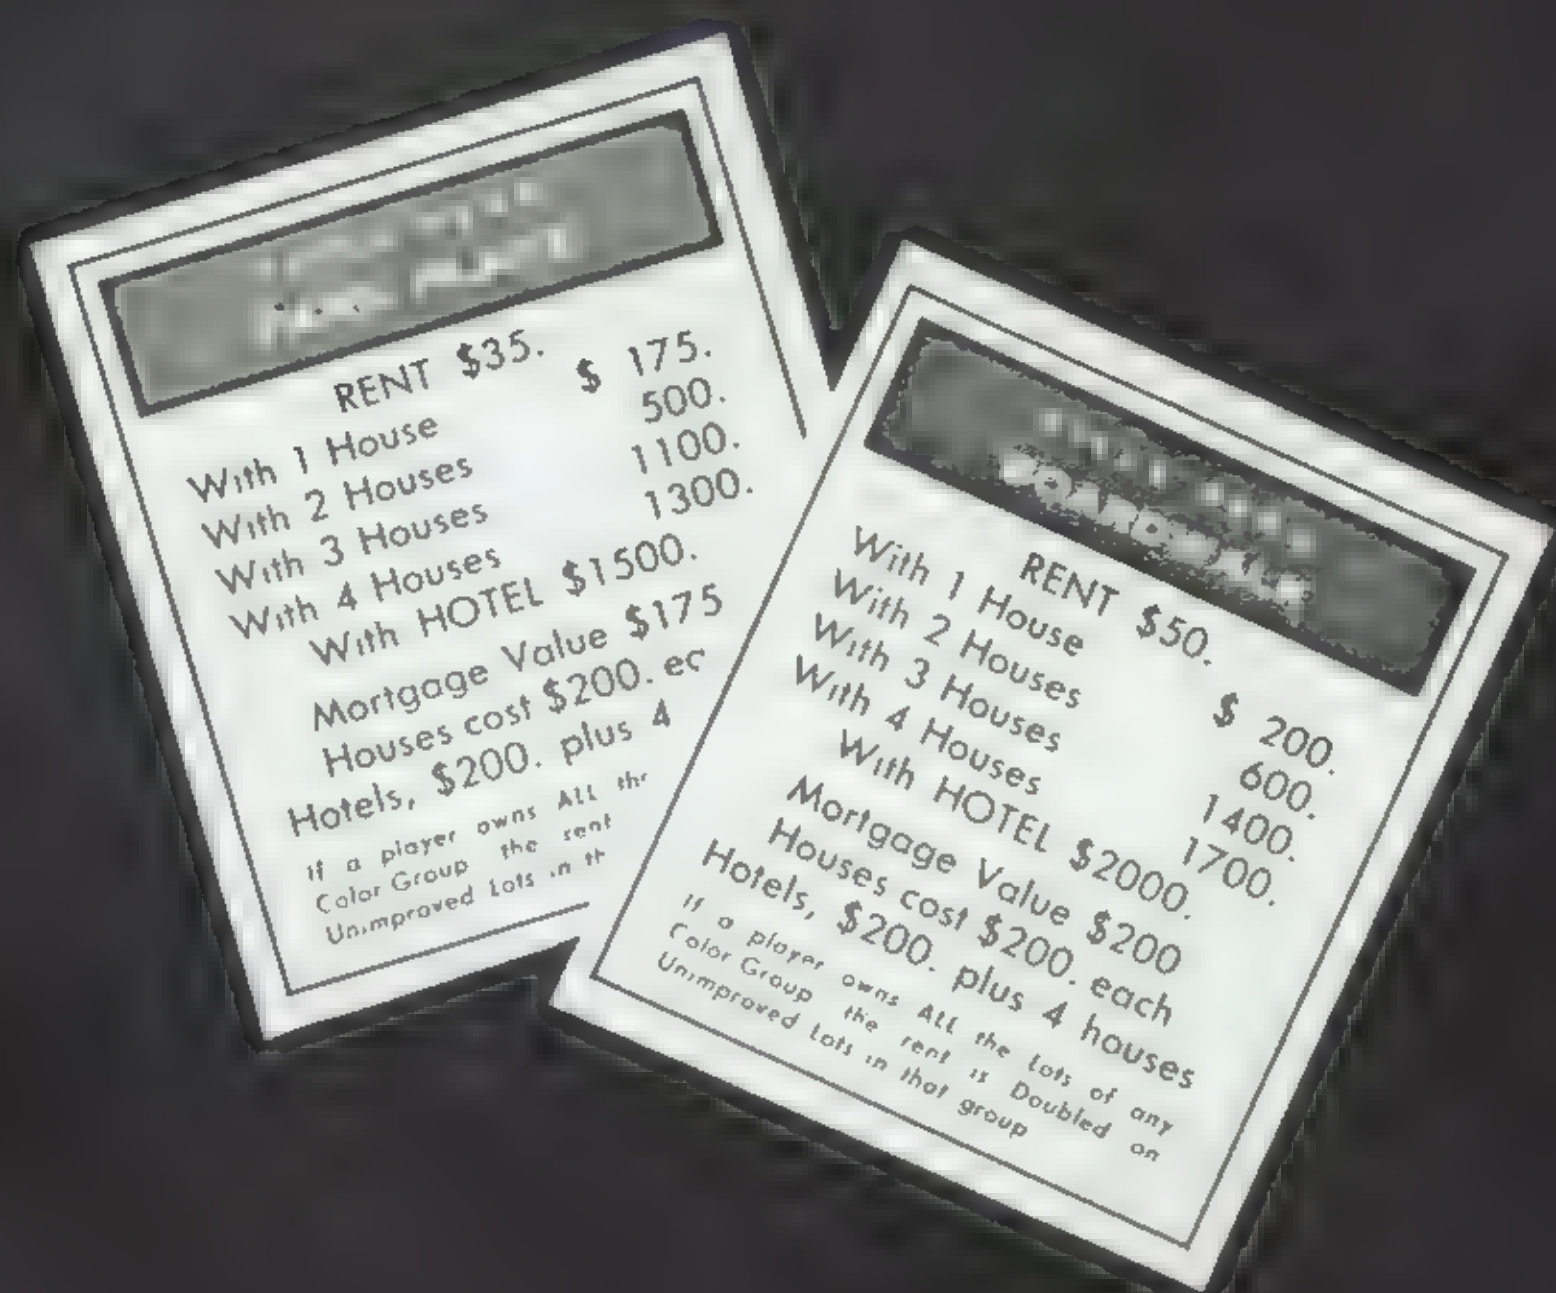

Gary Fasching

Under the great leadership of Mrs. Minet, Mrs. Kolbo, Mr. Fasching, and Sr. Ione, our social department is kept hard at work. The courses offered are well rounded with past history events and current issues to keep us well informed.
